Board Meetings for 1938-1939

No. 1. Board met at Rev. Jerome Hodges, Nov. 4, 1938. All members present.

On motion, that in the Windsor proposition when they have purchased a desirable church lot with a clear title, the Conference Board will pay the last fifty dollars ($50.00).

On motion the Board loaned Mt. Carmel church one hundred dollars ($100.00) for one year to complete the parsonage.

On motion, that the Board donate twenty-five dollars ($25.00) to the Falcon Orphanage as this matter was overlooked at our recent Annual Conference.

On motion, Rev. N. J. Medford was loaned $50.00.

On motion, that the Bible Conference be held at Wilson church.

The Conference Superintendent shall inquire of churches as to who shall desire to entertain the next annual session of the North Carolina Conference.

The complaint against Revs. and Mrs. McCloud was investigated, upon which the Board finds that the rumors reflecting upon their characters are sufficient grounds for accusations justifying the rumors.

The Board therefore advises that they apologize for this and henceforth labor co-operatively in brotherly love and humility for the good of the cause and the spread of the Gospel in harmony with the doctrine and polity of the Pentecostal Holiness Church; and further that they co-operate with the Roper church and pastor.

They refused to comply and withdrew refusing to have a further hearing at Roper.

No. 2. Board met at Roper P. H. church, Feb. 7, 1939, for the purpose of settling a difficulty that had arisen by the withdrawal of R. D. McCloud and wife from the Conference and contending that they were still members of the local church.

Devotional services conducted after which the chairman directed that the Minutes of the last Board meeting relating to the present business before the Board, be read.

The Board had ruled that Revs. Mr. and Mrs. R. D. McCloud having voluntarily withdrawn from the Conference were no longer members of the local church but the McClouds and part of the local church contended that the McClouds were still members.

Of the 23 members present, 18 stood against, and 5 for the Board's rendering. Board ruled that according to the Discipline those who decided against, are out of the church, and that those loyal now constitutes the Roper church, provided further that those who are ruled out may decide within three months and become members again.

A donation of $10.00 was made to Mrs. Victoria Moore who was in poor physical condition.

The Board accepted the resignation of Rev. S. T. Harris, pastor of the Roper church.

The chairman announced that Rev. O. T. Howard is appointed pastor of the Roper church.

No. 3. Board met at Goshen church, September 19, 1939. All members were present.

A donation of $25.00 was made to the new church, Creeksville, near Conway, N. C.

On motion the Board petitions the W. N. C. Conference to elect a committee to confer with a like committee in the N. C. Conference as to a division of the two, to make three conferences out of the two as they now stand.

On motion the petition presented by Rev. W. J. Noble, relative to establishing a permanent Conference Camp Ground also for arrangements to hold the Annual Conference was tabled till the preceding motion was acted upon by the two Annual Conferences of North Carolina.

No. 4. Board met, Oct. 20, 1939, at Williamston, N. C. All members present.

The Board cancelled a note of $50.00 against W. F. Dail for the Wallace church.

Board agreed to the renewal of the note against Mt. Carmel church for another year on condition that the interest be paid. A. H. Butler's note was renewed in the same manner.

The note against Person Street church in Fayetteville was renewed for twelve months on the same condition as the two above.

Work of the Board approved by the Conference.

On motion, Conference adjourned to meet again at 1:30 P. M.

Benediction by Bro. Byon Jones.

Ministers Conference expense shall be paid from Conference Treasury if necessary.

On motion, Rev. Jas. F. Eppes was elected as Conference Manager for the purpose of promoting an evangelistic program throughout the Conference.

Report of Committee on Finance

Inasmuch as God has said in Malachi 3:10, "Bring ye all the tithes into the storehouse that there may be meat in mine house, and prove me now herewith saith the Lord of hosts if I will not open you the windows of heaven and pour you out a blessing that there shall not be room enough to receive it," and seeing this is God's plan to support His work, we therefore do recommend the following:

1. That all lay members pay their full tithe into the treasury of the local church in which they hold their membership, said tithe to be disbursed by the official board of local church, except as provided elsewhere in this report.

2. That no layman shall be eligible to hold official position in a local church who fails to comply with the aforesaid financial system.

3. That all ministers in the North Carolina Conference of the Pentecostal Holiness Church shall pay one-half of their ministerial tithes into the Conference Treasury, the other one-half into the treasury or treasuries of the church or churches they serve, or into the treasury of the church in which they hold membership. (The conference tithe is to be paid into the Conference Treasury monthly.)

4. That no minister of the Conference shall be eligible to official position or pastor any church who fails to comply fully with section three of this report.

5. Inasmuch as we see the need for our Superannuate Fund to be enlarged and built up as rapidly as possible, we do recommend that every member of the North Carolina Conference pay $5.00 into the Superannuate Fund in addition to the tithes paid into the Conference Treasury.

6. That in recognition of our responsibility to our Conference Superintendent, we recommend that he be paid $100 per month from the Conference Treasury for his services in official capacity and other conference duties and $300 per year for traveling expenses. All offerings for support of the Conference Superintendent shall be forwarded to the conference treasurer for disbursement.

7. That each local church shall have one central treasury and that five (5) per cent of all receipts shall be paid monthly from

this treasury into the Conference Treasury. However, funds raised for local church extension and building purposes shall be exempt from the five (5) per cent deduction.

8. That in view of the foregoing recommendations in section six and seven, the Conference Superintendent shall be required to devote his full time to the conference work.

9. That the Conference Superintendent visit the churches as early as possible in the new conference year and insist that each church adopt the tithing system to the end that a stipulated amount may be paid regularly to the pastor. Further we ask that each church pay the pastor during the week-end the Conference is in session.

10. We recommend the following appropriations be made at this session of the Annual Conference:

(1) That 10 per cent of the Conference fund be reserved as for purpose of evangelizing new territory;

(2) That 15 per cent of the conference fund be paid for the Superannuate Fund;

(3) To Bishop J. H. King for this session of the conference the sum of $150 and $25 per quarter during the ensuing year;

(4) To Superintendent Jerome Hodges the sum of $25;

(5) To Rev. C. B. Strickland, Conference Secretary-Treasurer, the sum of $25, and during the next Conference year the sum of $100, payable $25 per quarter.

(6) To Emmanuel College, Franklin Springs, Ga., $50.00.

(7) To Holmes Bible and Missionary Institute, Greenville, S. C., $25.00.

(8) To The Falcon Orphanage, Falcon, N. C., $25.00.

(9) To Mrs. C. B. Strickland, assistant to the Secretary-Treasurer at this session of the Conference $10.00.

(10) Approve such sum as shall be required to pay for printing of 1939 Conference Minutes.

(11) To the Educational Fund the sum of $50.

Respectfully submitted,

N. J. Medford,
T. O. Todd,
Paul Wells,
Committee on Finance.

Report of Committee on Temperance and Public Morals

Viewing the encroachment upon the Church of all manner of evil practices and recognizing our responsibility as Christan citizens, we call upon our people as a Pentecostal Holiness Church to declare with humble boldness their position with respect to righteous action and opposition to the widespread iniquity, and to this end, your committee humbly submits these recommendations:

1. We would re-affirm our position to the liquor traffic and all it accompanying evils, and urge the importance of instruction and

education in temperance, calling upon our people to vigorously wage a relentless warfare against the manufacture, sale and use of intoxicating beverages in all forms, at the same time giving support to those in public office who stand for temperence, sobriety, and law enforcement.

2. That in our homes we set standards of conduct as becometh Holiness, creating an atmosphere which will promote such standards particularly in the display of pictures and adornment.

3. We would direct attention of our ministers to the importance of pastoral visits and ask that they counsel with their members the vital place of the family altar, wholesome reading matter, and development of respect for the service of the church.

4. We give our voice of protest to the rising number of divorces and call on our ministers not to condone the divorce evil, but rather to give strong denunciation to the lightness with which so many consider the sacredness of matrimony, the sanctity of the home.

5. We would give voice of opposition to the desecration of the Sabbath and other Holy institutions, and call upon our people to set examples of respect for the Day of Rest and Worship and the church. In some countries churches have been closed by legislation and force, but the spirit of indifference and disrespect for righteousness have wrought great havoc in the church in America.

6. We urge that in our Sunday Schools and P. Y. P. S. the leaders give instruction to those of tender years in teaching the harmfulness to physical, mental and spiritual faculties through indulgence in the tobacco habit.

As Christian citizens, we pledge anew our allegiance to our church and also to American institutions not inconsistent with our convictions and scruples.

Respectfully submitted,

James W. Butler,
Wesley J. Noble,
Harvey Morris,
Com. on Temperance &
Public Morals.

Report of Committee on Missions and Evangelism

We, your Committee on Missions and Evangelism, beg leave to submit the following report:

In view of the fact that eleven of our churches gave nothing for foreign missions during the past conference, we recommend that Miss Ethel Strickland, our Conference Missionary Evangelist, visit these churches and with the co-operation of the pastors organize missionary societies.

Further, we urge that each member of the church strive to reach the penny-per-day goal.

Let each pastor be a source of missionary information and en-

courage our people to use the missionary information as published in the Advocate.

As to evangelism, we offer these recommendations, seeing the need of new territory being evangelized by our church:

1. That a competent man be elected to serve as Conference Manager, and he, in co-operation with the entire Official Board, strive to promote an evangelistic program throughout the Conference. The Conference Supt. shall assist this manager in securing revivals in the churches during the winter months.

2. That each district elect a committee to co-operate with the Conference Manager in organizing Evangelistic Societies in each district and they, with the co-operation of each pastor and church, strive to put on at least one revival in new territory during the conference year in their respective districts. This manager shall receive $60.00 per month for his service during the tent season. If this amount is not received in regular offerings, it shall be paid direct from the Conference Treasury.

3. Further, we urge that radio programs be encouraged for furtherance of the gospel, and such programs be sponsored when at all possible.

4. Finally, realizing we have towns, cities and even counties in the bounds of the North Carolina Conference that have no Pentecostal Holiness Church, we earnestly request, if this report is adopted, that these recommendations be faithfully carried out.

Respectfully submitted,

W. Eddie Morris,
E. W. Downing,
Ethel Strickland.

Report of Committee on Sunday Schools and Pentecostal Young Peoples Societies

Realizing that the Sunday School and the Pentecostal Young Peoples Society are two of the most vital factors in the field of evangelism in our church, both in the maintenance of spiritual fervor and the organization of new work, we recommend:

1. That each Sunday School and Pentecostal Young Peoples Society in so far as is possible be organized and manitained according to standards set forth in the Constitution of Sunday Schools and Pentecostal Young Peoples Societies published by the General Conference.

2. That the Local Societies and Sunday Schools be reminded that their first duty is to work for the upbuilding of the church, and when the programs are not in all respects in accord with the pastor's program and that of the church, it be remembered the former comes secondary. We make this suggestion with the sincere hope that pastors, Sunday School Superintendents and Society leaders will see to it that the work of each supplement the other rather than pull for individual units.

3. That all Superintendents and teachers avail themselves with all the supplementary and preparatory helps possible in developing themselves for more efficient service.

4. That all pastors, superintendents and parents have proper reverence for and demand reverence and respect of their children for the House of God, both in the Sunday School and P. Y. P. S. hour.

5. That an offering be taken in the Sunday School each fifth Sunday to go to Emmanuel College, Franklin Springs, Ga.

6. And that in the Sunday Schools a penny mission band be organized.

7. That ten (10) per cent of all money received in the local P. Y. P. S. Treasury be forwarded to the Conference P. Y. P. S. Treasurer, and that when official visits of the Conference P. Y. P. S. President are made at least traveling expenses be defrayed.

Respectfully yours,

H. D. Marshburn,
H. C. King,
W. B. Godwin,
Committee.

Report of Orphanage Committee

Inasmuch as we are taught in God's Word that "pure religion and undefiled before God" is to visit the fatherless and widows, we, your Committee on Orphanage, submit the following:

Since we have in our boundary The Falcon Orphanage as a Pentecostal institution, managed by Pentecostal Christians, and it offers its services to children of Pentecostal parents, we, therefore, do urge all our people to give it their most loyal support.

We further recommend that all our pastors and evangelists preach at least one sermon on orphanage work during the year.

Also we recommend that each church be urged to take an offering for orphanage work each month, as systematic giving will increase the support of our orphanage work.

Respectfully submitted,

N. J. Ward,
D. J. Little,
R. E. Lee.

Report of Committee on Education

We, your Committee on Education, do humbly submit the following report:

1. That our ministers, parents and guardians please take special attention to the increased circulation among our people of such literature which our church cannot approve, and further recognize the books and other publications which are offered for sale by our church and advertised for sale in our church official organ.

2. That every one, especially our ministers, be urged to recognize with sincere appreciation and consideration the efforts of our

educators within Emmanuel College, Franklin Springs, Ga., Holmes Bible and Missionary Institute, Greenville, S. C., and Falcon High School, Falcon, N. C.

3. That out of the educational fund treasury of our conference certain funds be appropriated for the purpose of establishing within the North Carolina Conference a permanent conference library, the chief purpose of which shall be to provide books for courses of study for our young ministers and prospective ministers. Further, that the Conference Board serve or elect a committee to serve as proper agency for the establishment of such a library, and that immediate arrangements be made by such appointed agency to make available the courses of study required of prospective ministers.

Jas. F. Eppes,
Hubert A. Morris,
V. W. Callahan.
